8. 28 Texas Administrative Code §129.5 sets out the guidelines for special reports.
9. The services in dispute were reduced/denied by the respondent with the following reason codes:
 - 29 – The time limit for filing has expired.
 - 731 – Per 133.20 provider shall not submit a medical bill later than the 95th day after the date the service, for services on or after 9/1/05.
 - 193 – Original payment decision is being maintained. Upon review, it was determined that this claim was processed properly.
 - 724 – No additional payment after a reconsideration of services.

Issues

1. Is the timely filing deadline applicable to the medical bills for the services in dispute?
2. Did the requestor forfeit the right to reimbursement for the services in dispute?

Findings

1. 28 Texas Administrative Code §133.20(b) states, in pertinent part, that, except as provided in Texas Labor Code §408.0272, "a health care provider shall not submit a medical bill later than the 95th day after the date the services are provided. In accordance with subsection (c) of the statute, the health care provider shall submit the medical bill to the correct workers' compensation insurance carrier not later than the 95th day after the date the health care provider is notified of the health care provider's erroneous submission of the medical bill. A health care provider who submits a medical bill to the correct workers' compensation insurance carrier shall include a copy of the original medical bill submitted, a copy of the explanation of benefits (EOB) if available, and sufficient documentation to support why one or more of the exceptions for untimely submission of a medical bill under §408.0272 should be applied..." Review of the documentation submitted by the requestor finds that the medical bill was sent to respondent in a timely manner. Therefore, convincing documentation was found to support that the bill was submitted timely.
2. Texas Labor Code §408.027(a) states, in pertinent part, that "Failure by the health care provider to timely submit a claim for payment constitutes a forfeiture of the provider's right to reimbursement for that claim for payment." 28 Texas Administrative Code §102.4(h) states that "Unless the great weight of evidence indicates otherwise, written communications shall be deemed to have been sent on: (1) the date received, if sent by fax, personal delivery, or electronic transmission or, (2) the date postmarked if sent by mail via United States Postal Service regular mail, or, if the postmark date is unavailable, the later of the signature date on the written communication or the date it was received minus five days. If the date received minus five days is a Sunday or legal holiday, the date deemed sent shall be the next previous day which is not a Sunday or legal holiday." Review of the submitted information finds documentation, in the form of a fax confirmation sheet, to support that a medical bill was submitted within 95 days from the date the services were provided. Therefore, pursuant to Texas Labor Code §408.027(a), the requestor in this medical fee dispute has not forfeited the right to reimbursement due to untimely submission of the medical bill for the services in dispute.
3. In accordance with 28 Texas Administrative Code §134.203(b)(1) and (c)(1) reimbursement is as follows:
 - CPT Code 70450 – $(55.30 \div 34.023) \times \$39.64 = \$64.43$
 - CPT Code 70486 – $(55.30 \div 34.023) \times \$53.50 = \$86.96$
 - CPT Code 71020 – $(55.30 \div 34.023) \times \$10.24 = \$16.64$
 - CPT Code 73560 – $(55.30 \div 34.023) \times \$9.09 = \$14.77$

- CPT Code 73560 – $(55.30 \div 34.023) \times \$7.92 = \$12.87$
- CPT Code 73560 – $(55.30 \div 34.023) \times \$49.88 = \$81.07$

Conclusion

For the reasons stated above, the Division finds that the requestor has established that additional reimbursement is due. As a result, the amount ordered is \$276.74.

ORDER

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code Sections 413.031 and 413.019 (if applicable), the Division has determined that the requestor is entitled to additional reimbursement for the services involved in this dispute. The Division hereby ORDERS the respondent to remit to the requestor the amount of \$276.74 plus applicable accrued interest per 28 Texas Administrative Code §134.130, due within 30 days of receipt of this Order.
